# First Access
My ALD App

ALD
Automotive

Welcome!

The My ALD App is the solution we created for you to have access to everything you need about your vehicle in the palm of your hand. With the App, you will be able to access your car documents, schedule maintenance and follow them up via timeline, check-in and check-out at the workshop, access your organization's fleet policy, follow the delivery status of the new vehicle, access the network of suppliers, backup car, among other services available to make your day to day easier anywhere.

This app can have different modules for each contract.

Be part of the My ALD universe and find out how to make your first access on the app in the next pages.

Download and Access

Your journey starts here! Download the app from the main app stores and make your first access. Have control of your vehicle in the palm of your hand!

Download the App

Scan the QR Code or search for "My ALD" in your app store and download the app.

First access

Register in the app by clicking on the button "Make your 1st Access here" and check your email, after the validation period you will be able to enter your new login in the My ALD app.

Privacy Policy

To begin your journey, it is important that you carefully read and accept the terms of privacy and use. After reading, just click on the box written "I accept the privacy policy and the terms and conditions of use" and then click on the "continue" button.
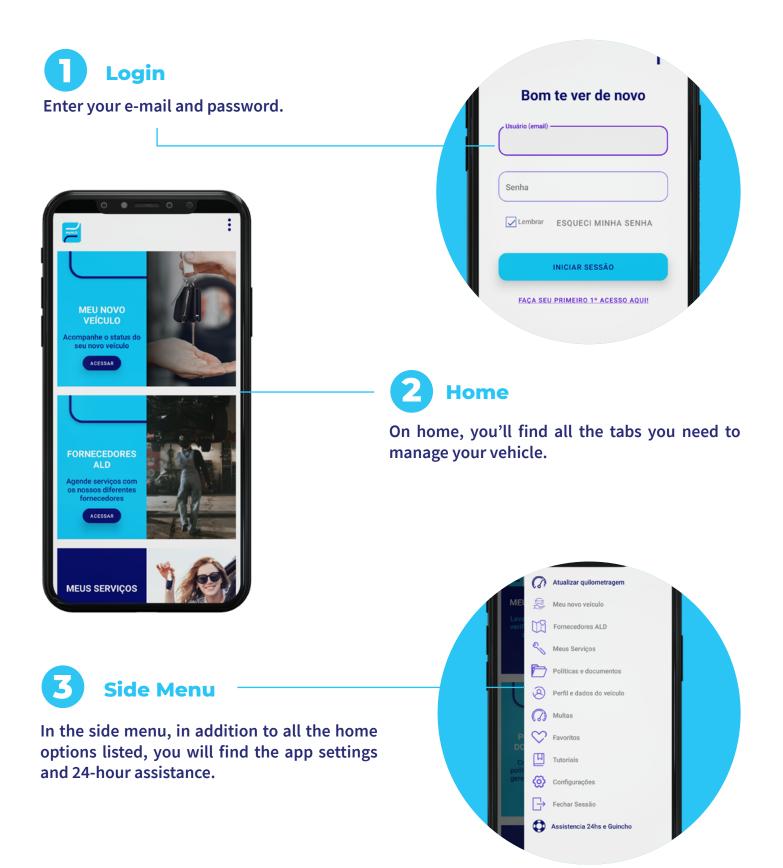

Create your PIN

Now you can make your first login. Create a 4-digit password that you will use whenever you access the app.

Login e Home

Now that you have downloaded the app and followed the steps for your first access, log in, register your information and create your user profile.
